

This year marks Nellie Mae's 25th anniversary!

To celebrate our anniversary, we are awarding a \$2,500 Silver Anniversary Scholarship to one student at two Massachusetts colleges and universities!

Since 1982, Nellie Mae has helped millions of students and families pay for college, by providing smart loan options, such as cash-back rewards and interest rate reductions for responsible borrowing; our Financial SuccessSM series; and the industry's brightest customer service. In celebration of our 25th anniversary, we're proud to continue that tradition by making this gift aid available to scholars at your institution.

This **Silver Anniversary Scholarship** will provide financial assistance to two undergraduates with strong academic backgrounds. Two (2) undergraduates will be selected to receive a \$2,500 scholarship. A scholarship committee will choose the recipients and application scores will be based on the quality of the information presented and the applicants' academic history and responses to questions on this application. The selected recipients will be notified in May 2007.

This one-time scholarship award is to be used for the 2007-2008 academic year only. Students must possess a 2.5 cumulative grade point average (GPA) and be enrolled at least half time at a college or university located in the state of Massachusetts.

Please mail your completed application and transcripts to:
